Motion passed 4-0.
- DEMANDS** Director Saucedo moved to authorize an electronic funds transfer from the general account to the revolving account in the amount of \$92,652.94. The motion was seconded by Director Vera. No questions were asked by the Board. Motion passed on a 4-0 roll-call vote.
- DISTRICT COUNSEL REPORT** District Counsel briefed the Board on Court of Appeals case Bishop v. County of San Diego. The Court of Appeals upheld the lower court's ruling that a fired employee who was criminally charged with a felony for a Government Code 1090 violation and pled guilty to those charges, was not entitled to reinstatement of retirement benefits. Court reasoned that the plea of guilty was equivalent of a conviction and the fact that the Court reduced the charge from felony to a misdemeanor during sentencing did not eliminate the conviction. Under state law only a reversal or a vacation of the conviction would entitle the employee to reinstatement of benefits. Court heavily relied on a prior case (*Estrada*) which also found a plea to be a conviction.
