

## We're Moving to Community Portal!

San Gabriel County Water District is improving our online payment experience for customers.

**Effective March 1, 2026**, we will transition from Xpress Bill Pay to our new **Community Portal** for online payments and account management.

### What You Need to Know:

Beginning March 1, 2026, payments will no longer be processed through Xpress Bill Pay. Customers will need to use the new **Community Portal** to make payments and manage their accounts. If you currently have AutoPay or paperless billing set up through Xpress Bill Pay, you will need to re-enroll in our new Community Portal.

### Visit:

<https://sangabrielcountywdca.ourcommunityconnect.com>

You can also scan this QR code to access the portal and make payments directly from your phone.

### With Community Portal, you can:

- View your bill and payment history
- Sign up for alerts when a new bill is available
- Set up AutoPay to never miss a due date
- Enroll in paperless billing

### Safe. Simple. Secure.

Community Portal provides a fast, easy, and secure way to manage your water account online.
